Helping Uganda Schools (HUGS) is a no overhead registered charity. The project started in 1995 and since then has helped to build one school and to educate nearly 1000 children.

It costs about £3 per week to educate a child in Uganda.

As a gift I have bought you weeks of education.

If you would like to do the same for someone please contact Denise Ead at hugstrustees@btinternet.com.

Cheques payable to HUGS at
